3M™ Scotchcal™ Clear View Graphic Film 8150

# A Clear Advantage

3M™ Scotchcal™ Clear View Graphic Film 8150

- A transparent, cast film, which offers a new level of clarity
- Highly conformable
- Suitable for screen and digital print

**3M**

## Discover the benefits of 3M™ Scotchcal™ Clear View Graphic Film 8150

Scotchcal Clear View Graphic Film 8150 opens up many new possibilities for glass design. Graphics, text and special effects can be combined in a completely new way.

This film offers the unique combination of print and transparency. Unprinted sections of graphic no longer need to be cut and weeded – using Scotchcal Clear View 8150 film means that unprinted sections are invisible on both glass and opaque substrates.

Window graphics and manifestation markings can now provide:-

- Special effect fades and gradations
- Simulation of acid etched and frosted glass
- Intricate designs without the need for cutting and weeding
- One-way vision effects
- Coloured transparent effects
- Double-sided graphics for a different image and/or message on each side of the glass

## A Clear Advantage Conversion and application made easier:

- A cast, highly conformable PVC film
- A PET liner to prevent static charge during conversion
- Suitable for wet application
- Compatible with digital and screen printing systems
- Easy to apply
- One-sheet solution makes the film easy to remove
- Removable adhesive - no need for the use of heat or chemicals

## A Clear Advantage For many possible applications

Scotchcal Clear View 8150 also offers a wide variety of solutions for vehicle graphics, point of sale, interior and exterior graphics and building decoration.

- Utilise new and existing glass surfaces such as facades, stairwells and balustrades
- Create individualised and branded privacy solutions for conference rooms, doors and partitions
- Decorate furniture and fittings and display cabinets
- Use one film for both vehicle panels and windows

## Suitable for application to:

- Metal
- Glass
- Acrylic
- Polycarbonate

## Durability

- Durability: up to 7 years
- 3M™ MCST™ Warranty: up to 5 years
